

PDS Keeps the RV, Bus and Coach Industries Cruising

When spindles crash, both manufacturers' production lines and bottom lines are at risk. Precision Drive Systems (PDS) expert, responsive spindle repair is designed to help the RV, bus and coach industry minimize downtime to maintain maximum productivity and profitability.

WORK WITH DECADES OF SPINDLE EXPERIENCE AND SUPPORT

PDS designs, builds and repairs spindles designed to consistently produce high-quality cabinets, vehicle panels and flooring for RV, bus and coach manufacturers. Since 1996, PDS' factory-trained engineers and technicians have successfully rebuilt more than 40,000 spindles in a wide range of industries to better-than-new standards.
